

ULTRA BODY TODDY®

Ultra Body Toddy® is a complete Full Spectrum dietary liquid supplement containing over 130 nutrients. Ultra Body Toddy® provides high potency vitamins, amino acids, trace minerals, and major minerals in a highly absorbable, chelated, organically-sourced, compound form. This makes the normally difficult major minerals more absorbable.

In addition to this Full Spectrum nutrition, Ultra Body Toddy® provides specialized nutrients such as bioflavonoids, dimethyl glycine, a blend of phytonutrients, and Cell Shield®, a combination of powerful antioxidants specifically designed to enhance the genetic potential of living cells.*
